Can you support the Internet Archive's mission by contributing to our cause? We are a nonprofit organization dedicated to providing universal access to quality information. Unlike many online platforms, we do not generate revenue through advertisements or user data collection. Instead, our operations rely on donations from users like you. Your contribution of \$30.34 may seem small, but it brings us one step closer to achieving our goal of making knowledge accessible to everyone. We understand that financial constraints can be a barrier, but even a small donation this Thursday could make a significant difference in our work. By supporting us financially, you will be helping to fund the preservation and dissemination of essential information for readers worldwide. Prentice-Hall Books (1976) Hardcover edition with missing dust jacket ISBN 10/13: 0130111899 / 9780130111890 Available in various conditions from multiple sellers.
